Guide to LEADER

Rural Development Programme (LEADER) 2014 – 2020

Welcome

Comhar na nOileán is delighted to announce the launch of the **Rural Development Programme (LEADER) 2014 - 2020** in County Mayo, County Donegal & County Cork.

This LEADER programme is a little different from previous programmes, so we have developed this guide to give you an idea of what's included and excluded for LEADER funding.

This LEADER budget is a lot smaller than previous programmes but we are confident that it will still result in real benefits to the businesses and communities of the Irish Islands and the hinterlands.

Is mise le meas
Máire Uí Mhaoláin
CEO, Comhar na nOileán

Tá fáilte romhat an Ghaeilge a úsáid linn i gconaí fiú muna bhfuil tú lonnaithe i gceantar Gaeltachta.

LEADER in Ireland

Three Themes

These three themes apply to the LEADER programme across Ireland.

Theme 1 - Economic Development, Enterprise Development & Job Creation

Frequently Asked Questions (FAQs)

How do I apply for a LEADER grant?

The LEADER application process involves two steps as follows:

Step 1 - Expression of Interest

All applicants must complete an Expression of Interest (EOI) for each project.

Step 2 - LEADER Grant Application

If your Expression of Interest is eligible in principle, you will be invited to make an application for LEADER funding.

What happens when I send in my Expression of Interest?

We will acknowledge your Expression of Interest and it will be assessed for eligibility. If your project is eligible, you will be given an application form and invited to submit an application for LEADER funding.

What happens when I send in my application form?

When your application is complete, your Project Officer will present it to an Evaluation Committee. This committee makes a recommendation to the LCDC LAG whether to fund the project or not. The LCDC LAG Board makes the final decision on your grant application.

How long will it take to get approved for funding?

This depends on how quickly you can put the necessary information together. In general, it will take a number of months to work through the application process. Your Project Officer will guide and help you during this time.

Need help to apply for a grant? You will be assigned a LEADER Project Officer to help you with your application.

If my project is approved, what happens?

If your project is approved, you are given a contract (letter of offer), which must be signed and returned before you start your project or spend any money.

If my project is refused, what happens?

If your project is refused, you will receive a letter, outlining the reason/s for refusal. You can appeal the decision, and information about the appeals process will be included in your refusal letter.

What are open calls?

This just means that we take each application as it comes in for funding. However, we

can only do this for up to 60% of our funding. If your project type has been listed under our closed call programme, you will have to wait until that closed call is announced before you can progress your application.

What are closed calls?

At least 40% of the LEADER programme must be approved in closed funding calls. This is where projects of a certain type (for example community playgrounds or festivals) are all invited to submit an Expression of Interest (EOI) by the same deadline date. These EOIs are assessed together and successful applicants will be invited to make a full LEADER application. Applications must all be submitted by the same deadline date, and compete against each other for the funding available.

The reason for closed calls is to ensure that LEADER funding is targeted where it delivers the most value and secures equal opportunities for all potential applicants.

If you have more questions, just contact us and we will answer your LEADER queries.

Who is involved in LEADER?

Local and Community Development Committee Local Action Group (LCDC LAG), is the contract holder for the Rural Development Programme (LEADER) 2014-2020 in Co. Mayo, Co. Donegal & Co. Cork. **Comhar na nOileán** is one of many LCDC LAG's Implementing Partners.

The programme has a number of Implementing Partners in various regions:

- The local Implementing Partner for the Irish Islands & parts of mainland West Cork is Comhar na nOileán CTR.

The programme also has a Financial Partner:

- Mayo County Council, Donegal County Council and Cork County Council

Glossary of Terms

LCDC LAG - The LCDC LAG makes the final decision on LEADER grant applications in the county.

Implementing Partner - These are the companies that support the LCDC LAG in managing the day-to-day operations of the LEADER programme in the various counties.

Animating Partner - These are the companies that support the LCDC LAG in creating awareness of the LEADER programme in their areas of operation.
